

Worksheet Introduction and Usage

Elementary I: Vol. 9 - Vol. 10

We have created a worksheet as supplementary material for the beginner's course series, which is available on the "Tammy Korean" website and YouTube.

In this book, there are fill-in-the-blank questions and written questions on the vocabulary and grammar learned in each lesson, making it ideal for checking and deepening your understanding of what you have learned.

The questions in this book mainly consist of five parts: vocabulary questions, grammar questions, Korean translation of English sentences, free writing, and a 40-word quiz.

For each session, questions and answers are listed alternately, so you can quickly check answers.

In addition, the title of each lesson has a link to the corresponding page on the "Tammy Korean" website, so you can quickly check the contents of your study. For explanations of the questions in this book, please check the corresponding page.

Furthermore, the book is in PDF format, so you can view it on your computer or smartphone, or print it out and write directly on it.

We sincerely hope that this book will be useful to all learners.
